In most cases, The John-F Klaver Band won't bring their own technician, so :

The gig has to be supported by at least 1 technician who is fully up to date with the available gear.

If venue is bound to a separate monitor mix, the venue also have to deliver a monitor technician.

A nice&smooth lighingplan would be very appropriate.

In all cases: contact John-F Klaver : +31618433209
